Custom Store Fixture Manufacturers

# B U I L T B R I T E

BUILTBRITE is a full service Custom Store Fixture Manufacturer located in Miami, FL. with over 20 years experience. We have earned a reputation for being a single source display company able to serve our customers from design to installation while providing value engineering and functionality. The broad range of display fixture products and services we offer has allowed us to build long-term partnerships with specialty retailers of all kinds in various industries. As a direct result of the quality of our services, the business has steadily grown.

As a **Custom Fabricator** our capabilities extend to:

- Design and Store Planning
- Value Engineering
- Manufacturing/C.N.C. Equipment
- Woodworking/ Millwork
- Acrylic and Wood Panels
- Fixture Installations (Wood, Acrylic, Metal and Glass)

We have served multinational renowned companies and brands such as:
